

Hi. Stanley

This is Dongmin Li, and I went to your office for the help of my IGETC certification. I'm not sure if you remember me or not. However, I still want to say thank you for your great help. Your patience and help are really important for me. I will have a good time in UCSD, and I wish you a great life. Good luck with your work and everything.

Best wishes,

yours

Thanks

for all the warmth and love

you put in all you do -

Most of all, I want to say,

"Thanks for being you!"
