## INTERSEGMENTAL GENERAL EDUCATION TRANSFER CURRICULUM (IGETC) 2020 - 2021

The courses listed below will fulfill the lower division general education requirements for all UC campuses.

Completion of the IGETC will permit a student to transfer from Mt. SAC to a campus in either the University of California (UC) system or California State University (CSU) without the need, after transfer, to take additional lower-division general education courses to satisfy university general education requirements. It should be noted that completion of the IGETC is not an admission requirement for transfer to UC or CSU, nor is it the only way to fulfill the lower-division general education requirements of UC or CSU prior to transfer. Students pursuing majors that require extensive lower-division preparation may not find the IGETC option to be advantageous (i.e. Engineering, Sciences).

A minimum grade of "C" is required in each course. (A grade of "C-" is not acceptable.)

**NOTE:**

UC limits transfer credit for some courses. Students may review the UC Transfer Course Agreement (TCA) with a counselor or educational advisor
