Dear Mr Sambathri

I would like to thank you for being such a wonderful teacher. I enjoyed the idea of spending these past four to six weeks learning really interesting things in your class. You have no idea how I felt being in your class. There was something inside of me that I can't explain whenever you tells to never give up. You gave me the motivation I couldn't find anywhere else to keep on with my education. Thank you.

You were an excellent teacher you seem to be well-prepared for this position, and I would like to make a comment on you, please!!! Stay the same and don't change. In that way students would love you even more.
